### PROJECT COMPLETION PROCESS

1. Upon the approval of a completed application (which is the fee & all necessary documents), a Permit will be issued and mailed to the owner/occupant. Construction can begin with permit prominently displayed. The Permit is good for 6 Months.
2. Inspections: Applicant/owner/contractor shall schedule a final inspection upon completed installation to manufacturer specifications as well as any third party inspections such as electrical.
3. When all inspections are completed and certificates provided, a Certificate of Completion will be issued.
4. **NO SIGNIFICANT USE OF THE APPLIANCE IS ALLOWED UNTIL THE CERTIFICATE IS ISSUED!!!**

I hereby affirm under penalty of perjury that all information provided in this application is complete, correct, and contains no misleading statements. I understand that any false or inaccurate information contained in the application or attachments; any construction changes made after the issuance of a building permit; or failure to schedule required inspections, may invalidate all permits issued under this application, and that I may be required to remove any buildings, structures, or other construction started or completed as a result. I certify that I have read and understand the permit process and all requirements.

I hereby license, permit and give privilege to the Town of Groton, or a designee, to enter the premises or land to conduct any onsite inspections. Such license or privilege is revoked once the Certificate of Completion is issued. I understand and agree that the appliance shall not be used in part or in whole for any purpose, until first obtaining the Certificate of Completion.
