12. a. Does the site contain a structure that is listed on either the State or National Register of Historic Places? b. Is the proposed action located in an archeological sensitive area?	NO	YES	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency? b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody? If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____ _____ _____	NO	YES	
14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: <input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input type="checkbox"/> Urban <input type="checkbox"/> Suburban			
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO	YES	
16. Is the project site located in the 100 year flood plain?	NO	YES	
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes, a. Will storm water discharges flow to adjacent properties? <input type="checkbox"/> NO <input type="checkbox"/> YES b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)? If Yes, briefly describe: <input type="checkbox"/> NO <input type="checkbox"/> YES _____ _____	NO	YES	

<p>18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)?</p> <p>If Yes, explain purpose and size: _____</p> <p>_____</p> <p>_____</p>	<p>NO</p>	<p>YES</p>
<p>19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility?</p> <p>If Yes, describe: _____</p> <p>_____</p> <p>_____</p>	<p>NO</p>	<p>YES</p>
<p>20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste?</p> <p>If Yes, describe: _____</p> <p>_____</p> <p>_____</p>	<p>NO</p>	<p>YES</p>
<p>I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE</p> <p>Applicant/sponsor name: _____ Date: _____</p> <p>Signature: _____</p>		

219. Exempt Subdivision

219.1 The intent of an Exempt Subdivision is to allow, under certain circumstances, for simple divisions of a parcel into two lots to be approved by the Town of Groton Code Enforcement Officer without the necessity of appearing before the Town of Groton Planning Board.

219.2 To be considered exempt, a 2-lot Subdivision shall strictly meet all of the following criteria:

- a. Each of the resulting two lots shall conform to all regulations for Lot Area and Frontage requirements set forth in Section 342, or any other section, of this Code.
- b. The Exempt Subdivision shall not cause any existing building or structure to be in violation of the Minimum Yard Depth or Maximum Lot Coverage regulations set forth in Section 342, or any other section, of this Code. If any building, or structure is nonconforming prior to the adjustment, the proposed adjustment must not increase the degree of nonconformity.
- c. None of the land shall contain any New York State designated or Federally designated wetland.
- d. The original parcel of land shall not have been part of an Exempt, Minor or Major Subdivision within the past three years.
- e. There have been no variances granted to the original parcel of land.
- f. The action shall not trigger a Type I State Environmental Quality Review.

219.3 An application shall be submitted at the Groton Town Clerk's Office along with the following:

- a. A sketch plan, drawn to scale and showing the current parcel and the proposed Subdivision with all lot lines, distances, and acreage of each of the two proposed lots. The sketch plan shall also show any existing buildings or structures, wells, septic systems, and driveways together with all current and proposed distances from current lot lines and proposed lot lines. Alternatively, a signed and certified survey map of the proposed Subdivision may be submitted.
- b. Part 1 of the Short-Form Environmental Assessment Form.
- c. Any other additional information that the Code Enforcement Officer may deem as necessary.
- d. A fee established by the Groton Town Board.

219.4 Within 15 days of the date that a complete application, together with the fee, has been filed with the Town Clerk, the Code Enforcement Officer shall complete his review of the application and grant either approval, conditional approval, or deny the Exempt Subdivision.

219.5 If the applicant has submitted a signed and certified survey map with the application, the Code Enforcement Officer may approve the Exempt Subdivision and affix a stamp of approval.

If the applicant does not have a survey map, the Code Enforcement Officer may grant Conditional Approval contingent upon submission of a signed and certified survey map. The new survey map shall be submitted for a stamp of approval within 180 days after the grant of Conditional Approval.

The applicant shall supply at least 3 official survey maps to be stamped by the Code Enforcement Officer: one for the file, one for the Tompkins County Department of Assessment and one for the Tompkins County Clerk. The applicant may provide as many additional copies as they wish to be stamped for their own use.

Within 62 days of the Code Enforcement Officer's stamp of approval, the survey map must be filed with the Tompkins County Department of Assessment and the Tompkins County Clerk. Failure to meet either of these deadlines shall constitute expiration of approval.

219.6 The Code Enforcement Officer shall deny the application for an Exempt Subdivision and refer it to the Planning Board for further review and a final determination under Minor Subdivision Review in Section 220 of this Code if for any reason the Code Enforcement Officer believes that the proposed action

- a. does not meet all of the above requirements of an Exempt Subdivision, or
- b. involves special circumstances, such as the intent of a prior subdivision; unique topography; the effects on adjacent lots, agriculture or the environment; or any other concern, or
- c. is a Type I Action upon completion of the Short-Form Environmental Assessment Form.

219.7 The Code Enforcement Officer's determination in regard to this Section shall not be subject to an appeal to the Town of Groton Zoning Board of Appeals. Instead, applicants not in agreement with the decision of the Code Enforcement Officer under this Section shall have the right to apply directly to the Town Planning Board for a Minor Subdivision under Section 220 of this Code
